

EchoSky Curved
Color #444

ECHOSKY

ACOUSTIC DESIGN ELEMENT

Define your space. The EchoSky racked baffle systems help you create spaces within volumes - bringing ceilings to a more personal level or by controlling echo to reduce the perceived size of a room and reduce ambient noise.

EchoSky Straight
Color #444

Design aesthetically and acoustically winning interior spaces with the infinitely customizable and ecologically sound EchoPanel® acoustic panels and tiles. Take the next step in functional, beautiful, sustainable design.

ECHOSKY
