

Contour Ceiling and Wall Tiles for Grid and Adhesive Applications

- **How are they cleaned?**
 - **Contour Ceiling and Wall Tiles for both grid and adhesive applications are durable and simple to clean using a damp cloth.**
- **What colors are available for Contour Ceiling and Wall Tiles for both grid and adhesive applications?**

Natural willtec®

white

grey

colortec®

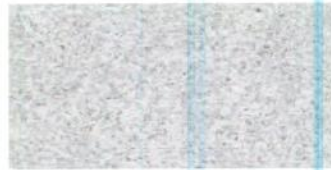

charcoal

HPC-coated® willtec

black/black onyx

light grey/grey mist

white/arctic white

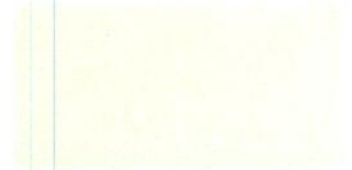

almond

medium grey/graphite

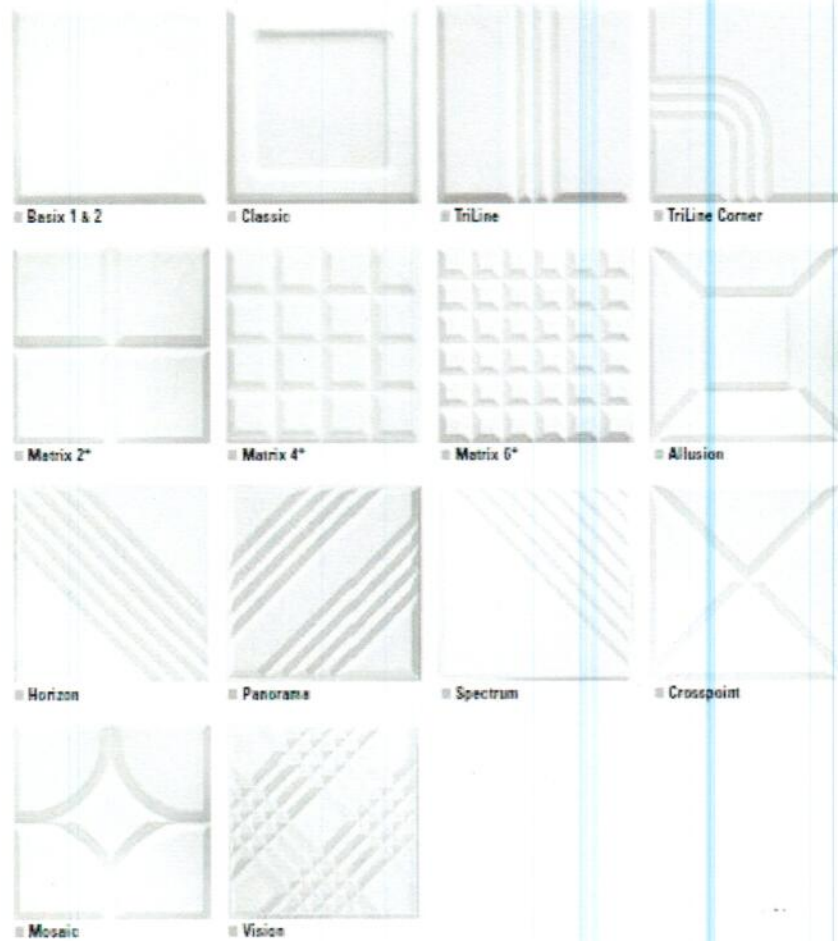

light blue/sky

ivory/eggshell

-
- **What surface patterns are available for Contour Ceiling and Wall Tiles for both grid and adhesive applications?**

Contour Ceiling and Wall Tiles for Grid and Adhesive Applications

- **What sizes do Contour Ceiling and Wall Tiles come in for both grid and adhesive applications?**
 - **Contour Ceiling and Wall Tiles come in a tile size of 24" x 24" and vary in thickness (custom sizes are not available)**

- **Adhesive**

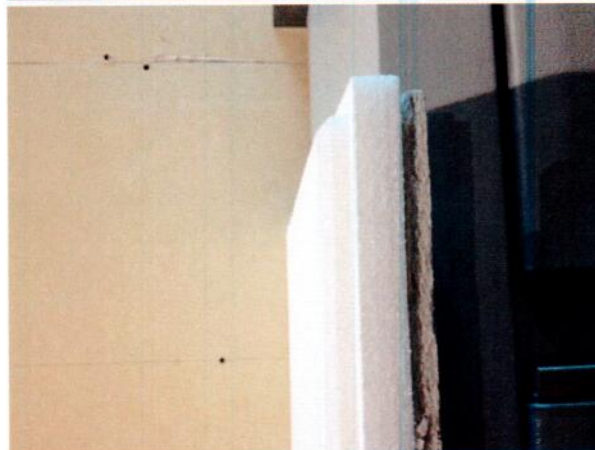

Pattern	Color	Tile Size	Overall Thickness	Tiles Per Box	Coverage Per Box
Basix 1	All Standard HPC Colors	24" x 24"	1"	30	120 sq. ft.
Basix 2, Mosaic, Crosspoint, Allusion, Vision, Triline, Triline Corner, Classic, Spectrum, Horizon and Panorama		24" x 24"	1-3/4"	14	56 sq. ft.

- **Grid**

Contour Ceiling and Wall Tiles for Grid and Adhesive Applications

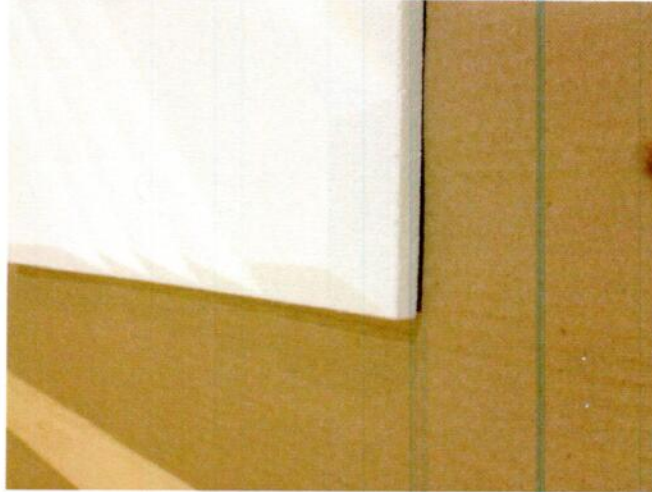

Pattern	Color	Tile Size	Overall Thickness	Tiles Per Box	Coverage Per Box
Basix 1	All Standard HPC Colors	24" x 24"	1-3/8"	20	80 sq. ft.
Basix 2		24" x 24"	2-1/8"	14	56 sq. ft.
Mosaic, Crosspoint, Allusion, Vision, Matrix 2/4/6, Triline, Triline Corner, Classic, Spectrum, Horizon and Panorama		24" x 24"	2-1/8"	14	56 sq. ft.

- What kind of edges do Contour Ceiling and Wall Tiles have for both grid and adhesive applications?**
 - Contour Ceiling Tiles for grid applications come in two edging options:**
 - Beveled Edge**
 - Beveled Edge with reveal option**

Contour Ceiling and Wall Tiles for Grid and Adhesive Applications

- **Contour Ceiling and Wall Tiles for adhesive application come in one edging option:**
 - **Beveled Edge**

- **How are Contour Ceiling and wall Tiles for both grid and adhesive applications installed?**
 - **Contour Ceiling Tiles for grid applications are designed to fit all 15/16" ceiling grid systems, manufactured with a 3/8" thick backerboard for stability with a beveled edge(reveal option available) to drop set tiles easily in to the grid for a secure fit**
 - **Contour Ceiling and Wall Tiles for adhesive applications are installed using our recommended adhesive called acouSTIC, manufactured without a 3/8" thick backerboard or dado edge.**
 - **See acouSTIC installation instructions for application tips**
- **What kind of noise reduction do they offer?**
 - **CONTOUR tiles with a backerboard have a ceiling attenuation class (CAC) of 34 to help contain sound; making them ideal for applications requiring additional privacy**
 - **Both the adhesive and ceiling grid Contour tiles provide exceptional sound absorption and have Noise Reduction**

Contour Ceiling and Wall Tiles for Grid and Adhesive Applications

Coefficients (NRC) up to 1.20, depending on the pattern chosen

- **What is backerboard?**
 - **Backerboard is a solid component that blocks sound from traveling into adjacent rooms mounted to the backing of the Contour Ceiling Tile for grid applications only.**
- **Can I buy them individually?**
 - **Yes!**
 - **Additional Contour Ceiling and Wall Tiles for both grid and adhesive applications are available in non-box quantities for a 20 percent up-charge per piece**
- **How much coverage does one box cover for Contour Ceiling and Wall Tiles for both grid and adhesive applications?**
 - **One box of Contour Ceiling Tiles grid application will provide:**

Pattern	Color	Tile Size	Overall Thickness	Tiles Per Box	Coverage Per Box
Basix 1	All Standard HPC Colors	24" x 24"	1-3/8"	20	80 sq. ft.
Basix 2		24" x 24"	2-1/8"	14	56 sq. ft.
Mosaic, Crosspoint, Allusion, Vision, Matrix 2/4/6, Triline, Triline Corner, Classic, Spectrum, Horizon and Panorama		24" x 24"	2-1/8"	14	56 sq. ft.

- **One box of Contour Ceiling and Wall Tiles for adhesive application will provide:**

Pattern	Color	Tile Size	Overall Thickness	Tiles Per Box	Coverage Per Box
Basix 1	All Standard HPC Colors	24" x 24"	1"	30	120 sq. ft.
Basix 2, Mosaic, Crosspoint, Allusion, Vision, Triline, Triline Corner, Classic, Spectrum, Horizon and Panorama		24" x 24"	1-3/4 "	14	56 sq. ft.

Contour Ceiling and Wall Tiles for Grid and Adhesive Applications

- **How many tiles come in a box?**
 - **Contour Ceiling Tiles for grid applications come in two options for quantity depending on your desired tile thickness:**

Pattern	Color	Tile Size	Overall Thickness	Tiles Per Box	Coverage Per Box
Basix 1	All Standard HPC Colors	24" x 24"	1-3/8"	20	80 sq. ft.
Basix 2		24" x 24"	2-1/8"	14	56 sq. ft.
Mosaic, Crosspoint, Allusion, Vision, Matrix 2/4/6, Triline, Triline Corner, Classic, Spectrum, Horizon and Panorama		24" x 24"	2-1/8"	14	56 sq. ft.

- **Contour Ceiling and Wall Tiles for Adhesive applications come in two options for quantity depending on your desired tile thickness:**

Pattern	Color	Tile Size	Overall Thickness	Tiles Per Box	Coverage Per Box
Basix 1	All Standard HPC Colors	24" x 24"	1"	30	120 sq. ft.
Basix 2, Mosaic, Crosspoint, Allusion, Vision, Triline, Triline Corner, Classic, Spectrum, Horizon and Panorama		24" x 24"	1-3/4"	14	56 sq. ft.

- **What environments are Contour Ceiling and Wall Tiles for both grid and adhesive applications suitable for?**
 - **Contour Ceiling and Wall Tiles for both grid and adhesive applications are suitable for a variety of applications including but not limited to:**

Applications:

- Offices**
- Call centers**
- Lobbies**
- Entertainment facilities**

Contour Ceiling and Wall Tiles for Grid and Adhesive Applications

- Conference rooms**
- Retail stores**
- Lodging facilities**
- Health Care facilities**
- **Can Contour Ceiling and Wall Tiles for both grid and adhesive applications include a company logo?**
 - **Yes!**
 - **These premium ceiling and wall tiles come in several subtle to dramatic sculpted designs that can be easily mixed and matched to create a unique look. Custom patterns, including corporate logos, and color matching are also available**
 - **Custom pricing and minimum order requirements will apply**
- **Are Contour Ceiling and Wall Tiles for both grid and adhesive applications able to withstand a moist or humid environment?**
 - **Yes!**
 - **Contour Ceiling and Wall Tiles are manufactured from Willtec® foam giving them the ability to maintain their integrity in moist or humid environments without sagging**
